

# CAMP OLAVE TRADING POST

## SALE OF CRESTS

The Trading Post is closed and will not be open for the sale of items, as directed by Girl Guides of Canada – Guides du Canada, the National Board.

**Crests will continue to be sold at Camp Olave.  
The camp caretaker will handle all orders and sales.**

- There is a crest for each campsite including the Nature House, Dude's Palace, the Enchanted Forest and one generic Camp Olave crest each year, as permitted by the National Board (March 2009).
- Crests may be viewed on the Camp Olave website – Trading Post web page.
- At each campsite there is a display board of campsite crests and a supply of order forms.
- The caretaker will also leave an order form in a plastic Ziploc bag for you when you pick up your site key.

**SELLING PRICE OF ALL CRESTS = \$2.00**

### Purchasing Procedures:

- Please appoint one leader for each campsite to be responsible to correctly fill out the order form, making sure that the writing is legible and the correct amount of money is handed in with the order.

**YOU MAY ORDER AS MANY CRESTS AS YOU AND YOUR GIRLS WOULD LIKE  
YOU MAY MAKE YOUR SELECTION FROM ANY CAMPSITE CRESTS.**

- Please write the order on one form. There is room at the bottom of the order form if a mistake is made or the site crest is not printed on the form. You will need to keep a personal list of what each girl/camper orders.
- Payment may be made by cheque or cash, or a combination of both. Make cheques payable to Girl Guides of Canada (GGC) – Trading Post.
- Please put the order form and cheques / money in the Ziploc bag.
- The plastic bag with the order form and payment must be placed in the box marked **“CREST ORDERS”** at the caretakers cottage by **5:00 PM SATURDAY AFTERNOON** or as directed at the time that you pick up the site key.
- The crests will be delivered to you at checkout time on Sunday morning or as arranged by the caretaker.
- Please check that your order is complete and any change given is correct.

### Note:

All crests are subject to availability; sometimes inventory of a design is sold out and a new design is ordered. We apologize if any crests are currently unavailable.

- Instructions for processing crest orders during **MAY TO AUGUST** will be posted.

This is a new system for ordering and receiving crests. If you have any comments or suggestions, please contact:

Anne Barbour – Trading Post Coordinator.
