

CAMP OLAVE GARBAGE & RECYCLING

General Information

1. All refuse containers are behind the garage.
2. An adult must always go with the girls when disposing of any garbage or recycling as the bin lids are heavy, and to make sure the correct bin is being used.
3. BE BEAR AWARE. All garbage **MUST** be removed from your site nightly to reduce your site's attraction to bears. If possible, remove it after each meal. When garbage is on your site it should be kept inside a building.

GARBAGE BIN

- MUST be bagged before placing in dumpster.
- Secure dumpster lids afterwards.
- If dumpster is locked, the key is on the back wall (exterior) of the garage.
- BRING YOUR OWN GARBAGE BAGS.

**REGULAR
GARBAGE BAGS
IN THIS BIN**

CARDBOARD/RECYCLING BIN

- **MUST BE LOOSE, DO NOT USE PLASTIC BAGS FOR THIS BIN.**
- For all items that are permitted as recyclables – see list below.
- These all go in the same bin but all items must be loose
- Plastic bags are not permitted in the cardboard/recycling bin.

Cardboard – e.g., grocery, cracker & cereal boxes and paper

- **Must be flattened**
- **NO** waxed cardboard
- **NO** pizza boxes or any cardboard/paper with food traces
- **NO** paper crafts with glue or sparkles

Recycling – Must be deposited in the bin loose

- All recyclables must be **CLEAN** with no traces of food
- Must be washed thoroughly (quick rinses WILL NOT DO)
- If in doubt whether an item is recyclable or not, toss it into the garbage or take it home with you. Do not contaminate the recycling.

**NO
PLASTIC BAGS
IN THIS BIN**
