

CAMP OLAVE FACILITIES

SI YAY LUM (BLUE SKY, FAIR WEATHER)

- SETTING:** A beautiful natural forest setting with a large sunny clearing, a short distance from the beach
- MAXIMUM SLEEPING CAPACITY:** 36 people
- FACILITIES:** 9 canvas ridge tents on wood platforms
Well equipped stainless steel kitchen
Large sheltered eating area with fireplace
Hot and cold running water
Washroom facilities with flush toilets on site
2 showers for adults only
Drying room (please use as needed and turn off when not in use)
Storage room containing portable barbecues, brooms, mops, shovels, rakes, axes, pails and white gas lantern
- MAJOR APPLIANCES:** Refrigerator with top freezer
1 commercial propane stove with 2 ovens, 6 burners, 1 griddle
stove instructions are posted and grill cleaning supplies are provided except for oil and vinegar
Please don't forget to clean the grease trough and trays under the elements after using the grill and stove
Do not use ovens for shrink art as the plastic/propane combination is combustible and fumes are poisonous
Please bring own oven mitts and tea towels
- FIRE PROTECTION AIDS:** Fire drill instructions are posted in the shelter
Keep filled water buckets by each tent and shelter door
Keep garden hose attached to tap outside the kitchen
2 fire extinguishers (1 to hang on mount in the kitchen and 1 to be hung near the main door)
Please return fire extinguishers to pantry cupboard at the end of each camp
For fire emergency use only, use the air horn (three long blasts)
- BRIQUETTES:** Please place used briquettes in the fire pit to be burned in subsequent campfires
- PARKING:** One car per site, the rest in main parking lot
