Role Descriptions for More Seaside Fun 2022

PATROL GUIDER/JUNIOR LEADER PATROL GUIDER

You will be under the direction of the Site Guider and will work together with the other Patrol Guiders.

The Patrol Guider is responsible for a patrol of 4-6 campers for the week.

You will travel to activities as a Patrol and will do your assigned duties as such.

This will include getting them to their assigned duties and activities as per the schedules on time.

You are responsible for waking them in the morning and saying Good Night at the end of the day.

When working in the kitchen you will work with the Q.M. to assign each camper a task and support her.

When at activities you will support the girls under the direction of the facilitator. You are expected to pitch in and help where needed. Watch and encourage all campers to participate. Some campers may not want or feel comfortable doing everything. Encourage them to try but do not push beyond their comfort zone. We understand that this is sometimes difficult so we will be there to help you. If you are having a hard time with a particular girl, please let your Site Guider know.

If you have any questions, please email Carell and Marjorie at moreseasidefun.ggc@gmail.com.

I have read and understand the requirements for the position I am applying for
