## **Programs available May-August with Lifeguards**

Waterfront Staff will be available from the first week of May until the end of August. Lifeguards will contact you two weeks before your arrival to camp to book activities offered at camp. Please ensure a proper adult/child ratio is maintained for all waterfront activities. You must provide an adult spotter to help supervise waterfront activities.

**Swimming:** Come enjoy the beautiful water! Please bring proof of a swim test (IMIS record or Swim Kids 5+) if you have it! Otherwise a PFD can be worn.

Closed toed water shoes are mandatory for all beach and water activities.

Groups are not permitted to wade or swim at Camp Olave except under lifeguard supervision.

**Kayaking** – If you are looking for a new way to explore the water try kayaking! Boat test or swim test is needed to go out in the kayaks. 8 girls can go kayaking at a time.

**Raft Building** - Build your own rafts with PVC pipe, ropes, and inner tubes & set sail under the watchful eye of the Lifeguards. PFDs will be worn, but a boat test is not needed!

**Snorkeling** – Come try snorkeling! At low tide and on calm days, come and check out all the cool creatures that live in the ocean.

We do more than just lifeguard! We can offer night games, field games, and hikes by request.

## **Good Deeds**

Each group should plan to spend some time on an outdoor activity service project such as:

- Litter Pick up
- Picking up fallen branches
- Washing Windows
- Preparing kits for Transition House
  - You supply personal cleaning items. The Womens Transition House is appreciative of food and supplies left over from big camps
- Performing flag ceremonies
