## **SITE GUIDER**

The Site Guider is the Coordinator of the site. You will set the tone for the Guiders and the campers. You will work cooperatively with the QM.

- will support the campers and Guiders on their site throughout the week.
- will manage your site to encourage everyone to arrive at activities on time.
- will assist the Patrol Guiders with the campers
- will assist the QM as needed
- support First Aider with any incidents by helping with the incident as well as the completion of Incident Report Form and delivering it to the Camp Responsible Guider.

**EARLY ARRIVAL:** Site Guiders will be **required to arrive at camp no later than noon on Friday, July 15 for MSF to set up your site.**

Ferry fares will be paid by camp but we cannot pay **for** vehicle reservations.

Along with your QM you will be able to set up your campsite to suit your camp style. If you would like to bring games or activities for your site that would be great. We will have activities available as well. Some crafts will be started at craft time and will continue at sites.

## QUARTERMASTER

The site quartermaster (QM) is the kitchen coordinator and leads food preparation and clean-up of meals (patrols and patrol Guiders will be scheduled to assist).

- will be aware of **Special Diets** on your site and provide them with **extra care. Communicate with Head QM's if you have questions.**
- will keep the Head QM informed of any supply needs or overages.
- will follow the menu as posted, including all items for each meal and ensure there are beverages at each meal and keep a supply of snacks and fluids available to everyone at all times.
- will communicate with the Patrol Guiders about their assigned times in the kitchen

**EARLY ARRIVAL** Site QM's will be **required to arrive at camp no later than noon on Friday, July 15 for MSF to set up your site.**

Your ferry fare will be paid by camp but we cannot pay **for** vehicle reservations.

## FIRST AIDER

Must be aware of all campers on your site who have special health concerns. You will be contacted by the Camp Nurse before camp. Record keeping is an important part of this job.

The site first aider is responsible for:

- handling minor injuries on-site or at activities
- overseeing the taking of medications by campers and recording such on the appropriate forms
- will keep the Head First Aider informed of any concerns and include them immediately if there is a serious incident

I have read and understand the requirements for the position I am applying for
