

Thinga-ma-jig Instructions

Step 1: Cut the edge off of the thinga-ma-jig along the dotted line.

Step 2: With the paper set picture-side down, fold each corner point into the centre.

Step 3: Flip the paper over so all the folds are face down. Fold each corner into the centre.

Step 4: Fold in half to crease.

Step 5: Stick your thumbs and first two fingers into the four corners. Push all the pockets to the centre.
